**SAUDI
QUALITY MARK**

Because Every Drop of Water Counts!

As one of the world's leading Certification Companies, we provide competitive advantage and deliver trust. TUV Austria has the advantage to offer a "One-Stop-Service" providing customized services.

We are an international company that employs experts to serve in the fields of testing, inspection and certification services in more than 40 countries worldwide.

Whether you are an industrial company, a plant operator, active in commerce, a start-up or in the process of establishing a business, safety and security are major concerns in any case.

TUV Austria Group's international focus and the multitude of national and international accreditations make TUV Austria your competent, secure and dependable partner.

To achieve more success stories, we decided to expand further by our regional branch in Saudi Arabia, as a benchmark server to our branches in the Middle East, Africa and India.

SAUDI QUALITY MARK

Saudi Quality Mark is the exclusive property of SASO based on the Registered Trademark registration number 1303/79. This is a mark granted by Saudi Standards, Metrology and Quality Org. to be used on products that have demonstrated compliance to Saudi standards, manufactured in a facility that has an effective Management System to ensure continuous conformance to requirements.

Saudi Quality Mark is a certificate introduced by SASO in the market with better and enhanced benefits and paybacks.

Through Quality Mark the products gain customers' satisfaction and trust. It encourages the continuous development and improvement of the product by following modern scientific methods that improve its competitiveness in international markets.

It boosts the reputation of organizations locally, regionally and internationally.

SAUDI QUALITY MARK

TUV AUSTRIA:

We are one of the authorized companies by SASO for Saudi Quality Mark in Asia and Australia, Middle East and North African Countries and Europe since 2018 due to its technical expertise and human competencies that have experience in this field related to Saudi Quality Mark Certificate.

Steps of Application:

Step 1: Create the Application on Jeem1 System <http://jeem1.saso.gov.sa/> Profile/Factory Profile.

Step 2: Technical Study: Review the application documents from authorized companies.

Step 3: Audit Visit: Authorized companies will coordinate a factory visit with the applicant to conduct audit on the production line and management system according to ISO 9001 or ISO 22000 (Safety management system for food Products).

Step 4: Reviewer Committee: Review the evidence and audit report of audit visit stage from Saudi Standards, Metrology and Quality Org.

Step 5: Saudi Standards, Metrology and Quality Org. (SASO) generating Saudi Quality Mark Certificate for a span of 3 years.

SAUDI QUALITY MARK
